

CHOBHAM & WEST END JOINT BURIAL COMMITTEE

APPLICATION FOR PERMIT TO ERECT A HEADSTONE OR ADD AN INSCRIPTION TO AN EXISTING HEADSTONE

GRAVE NO:

I (title) (full name)

.....

of (address)

.....,

hereby apply for permission to erect a headstone/add an inscription to an existing headstone (delete as appropriate) on the above grave. The particulars of design, materials and inscription are described on the back of this form.

The headstone must not exceed 850mm (2'9") in overall height and be placed in line with other headstones on adjacent graves. It should satisfy the National Association of Monumental Masons' current criteria for stability (as described in their recommended code of working practice), and the grave number should be inscribed on the reverse of the memorial.

I have obtained the permission of the holder of the Grant for the Exclusive Right of Burial for the above grave (Burial Grant number) to erect/modify the headstone.

If you do not have the Burial Grant number, please provide the name of the holder and your relationship to him/her:

Name:

Relationship to Burial Grant holder

I enclose a cheque for the fee of £

The fee for a headstone includes the first inscription, however, a further fee is payable for each subsequent inscription.

Please familiarise yourself with the Chobham Cemetery Regulations (www.Chobham.net/parish)
