Chobham High Street – 17 tonne vehicle restriction

Overweight lorries contribute significantly to road hazards and congestion in Chobham High Street. Please note any infringements you observe, with as much detail as possible, on this form and return it to the Parish Council at the above address. The police will warn the vehicle operators and will take further action if infringements persist.

The number of axles is the most obvious indication of an overweight vehicle.

2 axles

Probably under 17 tonnes

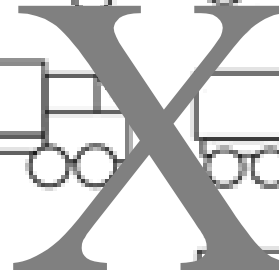

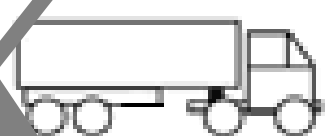

3+ axles

Over 17 tonnes

Rigid body

Articulated
